Dear General Secretary,

RE. IAAF WORLD RECORD AND WORLD BEST PERFORMANCES LISTS

In accordance with IAAF Rules 260.17, please find enclosed the IAAF World Record List as of 1st January 2012, which now includes the Junior Indoor category.

I take this opportunity to bring to your attention the following regarding World Record performances achieved in 2011:

- 1 performance in Race Walking could not be ratified because the number of qualified Judges officiating was not in accordance with Rule 260.25;
- 1 performance achieved in Road Running could not be ratified because the downhill and separation criteria of the courses were not in accordance with Rule 260.28 (b) & (c);
- Once again in 2011, as not all minimum requirements have been achieved, none are on the list for the Junior Women's Decathlon.

In accordance with the decision taken by the IAAF Congress in Daegu, Korea in August 2011 (Note to Rule 261), the list of IAAF Women World Best Performances - Mixed Road Races, as at 1st January 2012 has been established. It is to be noted regarding Women Road Race performances that, in accordance with the decision taken by the IAAF Council in Monaco last November:

- The ratified World Record performances shall continue to be recognised, regardless if achieved in mixed or women only Road Races.
- As since 1st November 2011, any new World Record performance is considered for ratification only if achieved in women-only Road Races.

Please do not hesitate to contact me if you have questions regarding the above information or the attached lists.

Kind regards,

A handwritten signature in black ink, appearing to read "Essar Gabriel", written over a white background.

Essar Gabriel
General Secretary
